Bridge 47 – Building Global Citizenship

- Bridge 47 is a global network created to bring people together to share and learn from each other.
- Making UN SDG Target 4.7 a reality.
- Mobilising and empowering societies to do their part for a more peaceful, tolerant, inclusive, secure and sustainable future for all.

This is not enough any more...

BRIDGE 47

What?

Ensure **all learners** acquire knowledge and skills needed to promote **sustainable development**, including among others through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, **global citizenship**, and appreciation of cultural diversity and of culture's contribution to sustainable development

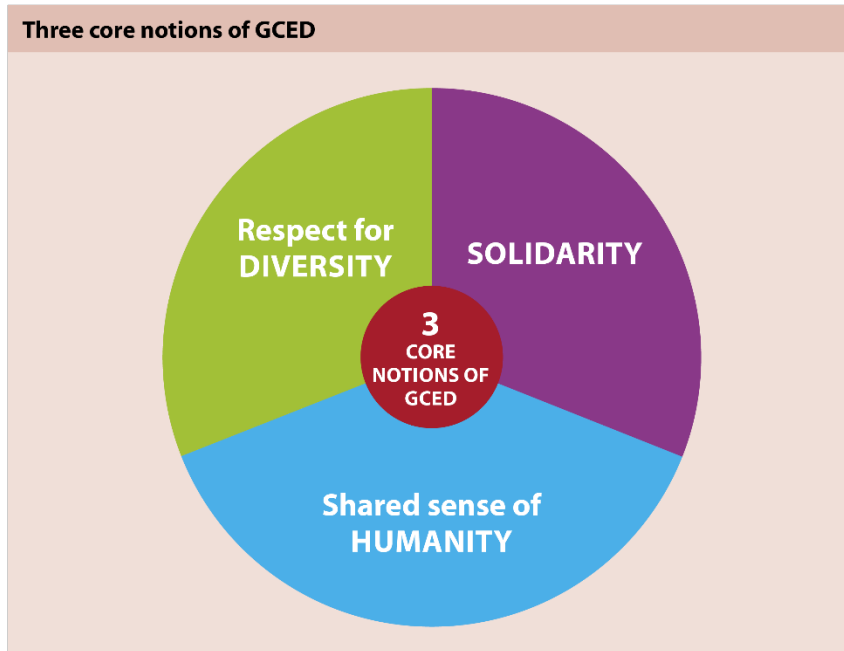

TARGET

4•7

**EDUCATION FOR
SUSTAINABLE
DEVELOPMENT AND
GLOBAL CITIZENSHIP**

Why Global Citizenship and Peace Education important?

- Global Citizenship Education (GCED) - A transformative approach to education that is part of UNESCO's vision of "Quality Education"

- Develops education systems that are fit-for-purpose, relevant and adapted to face **shared global challenges** such as climate change, deepening inequalities, human rights abuses and increases in discrimination and intolerance;
- Enables learners throughout life to take active roles in building a more peaceful, inclusive and just world;
- Nurtures a positive sense of identity that contributes to **collective wellbeing, respect for cultural diversity, prevent the spread of violent and hateful ideologies, combat hate speech and uphold the principle of the rule of law**;
- GCED and Education for Sustainable Development (ESD) are **transformative approaches to education** that support the realisation of SDG 4, Target 4.7 and embed the **social, humanistic and moral purposes of education** in ongoing efforts to achieve sustainable development.

Our Goal and Strategy

Global Citizenship Education

Building peace

- Peace & Human Rights Education
- Addressing Hate Speech through Education
- GCED & reconciliation
- Prevention of violent extremism through education
- Holocaust and genocide prevention, dealing with violent pasts

Building just societies

- Respect for the Rule of Law
- Youth participation
- Digital Citizenship
- Addressing racism, discrimination, antisemitism & rise of nationalism

Building bridges and social cohesion

- Harnessing the power of culture and the arts for Quality Education

Building New Narratives

Why?

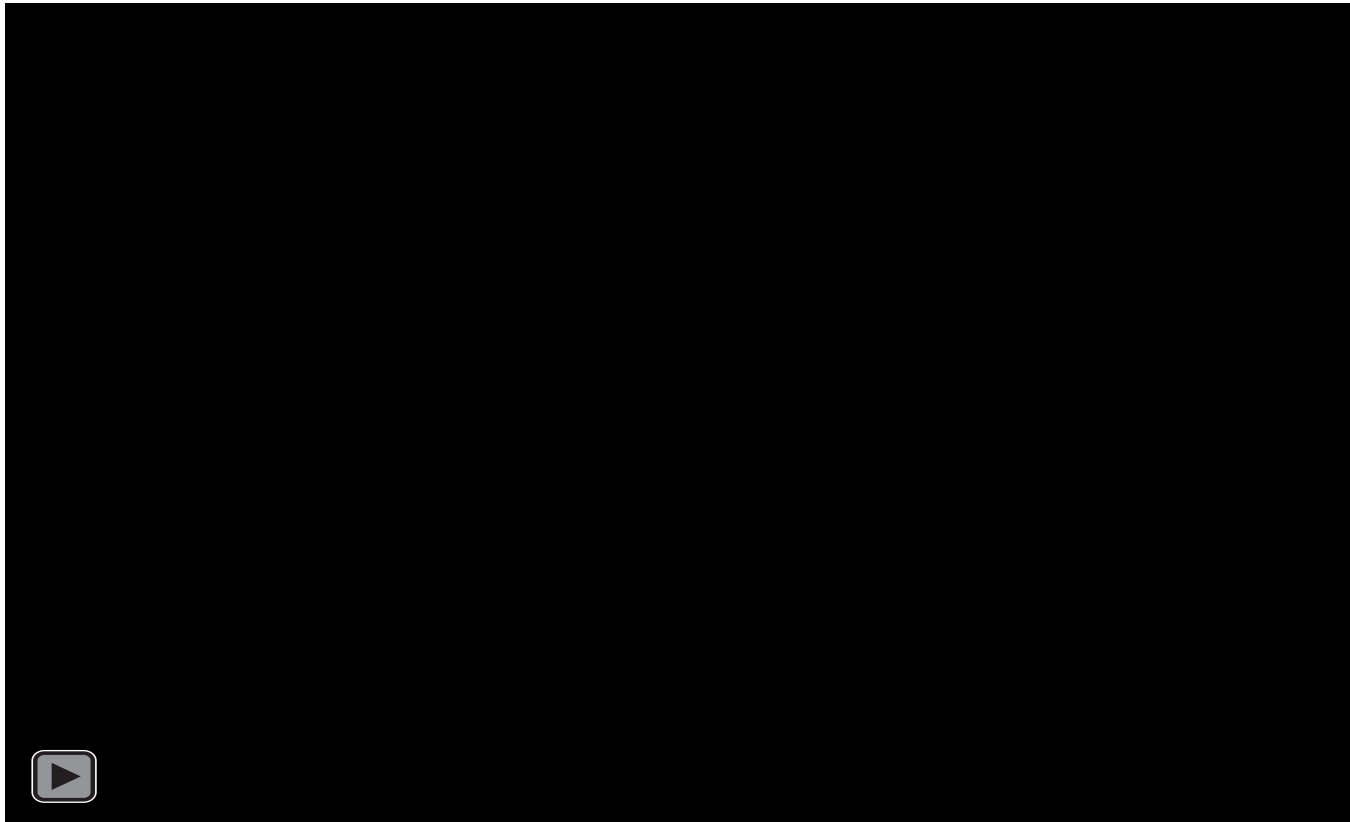

Transformative education encompassed in Target 4.7:

- helps us understand how our world and we are connected.
- encourages us to participate in the political arena, make informed decisions and demand coherent policies for a sustainable world.
- helps create more open and tolerant worldviews, which enables us to live more harmoniously together.
- strengthens our capacity to fight for our climate at home and globally.

How?

Envision 4.7 Roadmap

BRIDGE 47

Envision 4.7 Roadmap Pillars

- Transformative Education for Target 4.7
- Recognition of value of life-long learning, through formal, non-formal and informal education
- Cross-sectoral Cooperation
- Indicators for 4.7
- Competences for 4.7
- Resources for 4.7

BRIDGE 47

Target 4.7 at EU-level

- Alignment of EU policies with the United Nations 2030 Agenda for Sustainable Development, SDG 4 and Target 4.7.
- Acknowledgement and inclusion of the various aspects of quality transformative education and active global citizenship in all formats of education and through a lifelong perspective. For example in European education area, green competences.
- Pan-European Strategy for 4.7
